FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT COMPLIANCE

Standard

The Sioux Lookout Meno Ya Win Health Centre (SLMHC) will comply with the *Freedom of Information and Protection of Privacy Act* (FIPPA).

POLICY

As part of the *Broader Public Sector Accountability Act*, SLMHC will comply with FIPPA, beginning January 1, 2012. SLMHC will ensure the coordinated efforts to respond to requests in a timely manner and apply the exclusions and exemptions stated within FIPPA. Expectations of FIPPA will be incorporated into routine practices and policies as required.

Informal requests

Requests for general or personal records, that do not fall under another Act, will be processed outside of FIPPA as long as the requester is in agreement with this option. The purpose of processing requests informally is to provide the requester with information in a timely manner while avoiding the possibility of an appeals process. The requester will be provided a written notice stating that the request is being processed informally and the requester is not entitled to an appeals process. Additional fees for informal requests will be consistent with those of FIPPA (set out in Regulation 460) and SLMHC will make every effort to respond to the request within 30 calendar days.

Definitions

Personal information refers to information recorded about an individual that can identify that individual including:

1. information relating to the race, national or ethnic origin, colour, religion, age, sex, sexual orientation, or marital or family status of the individual
