

# TRICK OR TREAT

## JOIN US THIS HALLOWEEN!

Every year, our Residents love to see the smiling faces and creative costumes in our community! We're happy to continue our tradition of handing out candy this Halloween. However, things will be a little different this year.

Treats will be available outside the main doors of the Extended Care Facility. This event will be monitored to ensure the safety of our trick-or-treaters. We will have individual bags of candy, and observing and encouraging public health recommendations.

Our residents will remain indoors but will be viewing from their windows. Please wave and say Hi when picking up your treats!

**Saturday, October 31**
