**SIoux LOOKOUT MENO YA WIN HEALTH CENTRE**  
**ANNUAL GENERAL MEETING**  
**Thursday, September 23, 2021 at 1100 hours**  
**Via Zoom Webinar**

**Present:** Ms. Sadie Maxwell (chair), Ms. Patricia Keesickquayash, Ms. Joyce Timpson, Ms. Teri Fiddler, Ms. Beatrice Anderson, Mr. James Cutfeet, Mr. Knowles McGill, Ms. Heather Lee, Mr. Douglas Semple, Mr. Dean Osmond, Ms. Kathy Loon, Dr. Dan Shilensky, Dr. Laurel Laakso, Ms. Selena Froude (recorder)

**Regrets:** Mr. Leroy Quoquat, Mr. Terry Jewell, Mr. John McKay, Ms. Christine Hoey, Mr. Joe Meekis, Mr. John Cutfeet, Mr. Roy Spence

---

The meeting was carried via Zoom. The meeting was called to order at 1105 hours.

**1. Opening prayer**

The opening prayer was given by Ms. Teri Fiddler.

**2. Opening Remarks by Board Chair**

- Ms. Sadie Maxwell introduced herself and welcomed everyone attending the AGM meeting.
- Everyone has been going through these uncertain times with the global COVID-19 pandemic. It's becoming an everyday life style change.
- She thanked all the employees of SLMHC for providing services to the Board, the people that provide health care services and all the things being done to continue safe operations of the hospital.

**3. Address by First Nation Advisor to the Board and CEO**

- Mr. Douglas Semple addressed community members and those in attendance in his language.

**4. Directors Conflict of Interest Disclosure**

There were no conflicts of interest disclosed.

**5. Presentation of the Agenda**

The agenda for the Annual General Meeting dated September 23, 2021 was presented.

**6. MINUTES**

**6.1 Minutes of the AGM Meeting held September 24, 2020**

The minutes of the Annual General Meeting held September 24, 2020 had been distributed and were reviewed for errors and omissions.

**MOTION #ANN01/21**

It was moved by Ms. Joyce Timpson that the board of directors approves the minutes of the September 24, 2020 Annual General Meeting. Seconded by Mr. Knowles McGill. **CARRIED**

**7. BUSINESS ARISING FROM THE MINUTES**

There was no business arising from the September 24, 2020 minutes.

**8. NEW BUSINESS**

**8.1 Presentation of the 2020/21 Financial Statements**

- The financial statements were presented at Resource Utilization Committee in August and approved at the September board meeting. We were provided with a clean audit.
- The auditors' role is to provide reasonable assurance of SLMHC financial position.
- The report shows a breakdown of current and long term liabilities. Any revenues are recognized all at once and get amortized overtime. We had a small surplus of 218,000 in 2021.

**MOTION #ANN02/21**

it was moved by Mr. James Cutfeet that the board of directors approve the 2020/21 Financial Statements as distributed and as recommended by RUC. Seconded by Ms. Joyce Timpson. **CARRIED**

**8.2 Appointment of Auditors**

It is a requirement that the board of directors approve our auditors every year at the Annual General Meeting.

**MOTION #ANN03/21**

it was moved by Mr. Knowles McGill that the board of directors approve the appointment of Meyers Norris Penny (MNP) as the organization auditors for the 2021/22 fiscal year. Seconded by Mr. James Cutfeet. **CARRIED**

**8.3 Introduction of Board Members and talk to home communities**

**Ms. Patricia Keesickquayash** – is a board member representing Mishkeegogamang First Nation. She is glad to be part of this AGM and wishes for a great meeting.

**Mr. James Cutfeet** – is a board member representing First Nations Member at Large. He is pleased to be here at the AGM and greetings to everyone.

**Ms. Beatrice Anderson** – is a board member representing Shibogama First Nations Council. She holds the position as health director. She wishes everyone a good morning and is happy to be a part of the AGM meeting.

**Ms. Teri Fiddler** – is a board member representing Traditional Healer/Elder. Greetings to everyone and she wishes everyone a good day.

**Mr. Knowles McGill** – is a board member representing the southern community. He is also the board treasurer and chair of the Resources Utilization Committee. He has been on the board for

numerous years. He is pleased to see members from the community joining into the AGM. He is happy to continue as a member of the board.

**Ms. Joyce Timpson** – is a board member representing the Municipality of Sioux Lookout. She has been on the board since 2012. She enjoys being here. She thanked everyone for another year. It has been a tough year but we are moving forward.

**Dr. Dan Shilensky** – is the President of the Medical Staff Association. He is pleased to be here at the AGM and is looking forward to continuing as a member of the board supporting SLMHC in our community.

**Kathy Loon** – is the Executive Lead Indigenous Collaboration and Relations at SLMHC. This is her first AGM. She was the traditional program manager for eight years and recently moved to the executive level. She would like to say hello to everyone and to the northern communities.

**Dr. Laurel Laakso** – is the interim Chief of Staff at SLMHC. She wishes everyone a good morning and hopes everyone is doing well. She thanks everyone for attending the meeting.

**Ms. Heather Lee** – is the President & CEO at SLMHC. She thanked everyone for joining the AGM today. She thanked all staff, physicians, clients, community members and community leadership. This past year with COVID-19 has been challenging for everyone. Normal routines have been disrupted. She appreciates the work that has been done to keep everyone safe. She wanted to recognize the federal holiday that is on September 30. The Ontario Hospital Association does not recognize the National Day for Truth and Reconciliation as a statutory holiday for hospitals. The organization will be providing orange shirts to staff, physicians and volunteers to wear on that day as we remember the many lives that have been lost and the unmarked graves that were found with the residential school system. She would like to address the community regarding the discussions on staffing challenges here at SLMHC. We are not unlike any other hospital in Ontario and our team is working hard to address those staffing challenges and physician shortages. We are surrounded with a wonderful team from SLRPSI and SLMHC who have come together to ensure services remain open. We are here to serve the needs of our community. Thank you for your support.

**Ms. Sadie Maxwell** – is the chair of the board representing Windigo First Nations Council. There are seven first nation communities within their organization. She thanked the board members for the direction and support they have provided over the past year. It has been a challenging year. She thanked the first nation communities. They have been vigilant with the COVID-19 fight and have done a remarkable job keeping the community members safe. They have put in so many hours to ensure the community is safe and for that I thank them.

## 9. Questions

- Ms. Joyce Timpson noted there may be some value in summarizing to the community members the direction the board is going with some of the discussions in the community.
- Mr. Knowles McGill noted the Board has directed the executive committee to seek a third-party Workplace Culture Assessment. We are proceeding with an RFP and will make the public aware as we continue to move forward.
- Ms. Heather Lee noted the senior executive team is fully engaged and willing to embrace the Workplace Culture Assessment. We look forward to seeing if there are processes and protocols within the hospital that we can improve on and make it an even greater place for patients to experience their care.

- Ms. Heather Lee noted an Employee Experience Survey was completed in the spring. She is happy to share with community members that the results are positive. The Patient Satisfaction Survey results are also higher than they have been in the past. We continue to monitor these on a weekly and monthly basis.

**10. ADJOURNMENT/CLOSING PRAYER**

Ms. Sadie Maxwell thanked everyone for participating today. Hopefully we have a better year. Take care everyone.

The meeting was adjourned at 1140 hours.

**MOTION #ANN04/21** it was moved by Mr. James Cutfeet that there being no further business, the Annual General Meeting be adjourned at 1140 hours. Seconded by Ms. Joyce Timpson. **CARRIED**

## **Management's Responsibility**

---

To the Resource Utilization Committee and Board of Directors of Sioux Lookout Meno Ya Win Health Centre:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgement is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is comprised primarily of Directors who are neither management nor employees of the Health Centre. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of the Health Centre's external auditors.

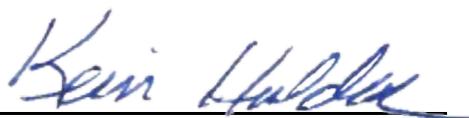

MNP LLP is appointed by the members to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

June 14, 2022

---

Chief Executive Officer

---

Chief Financial Officer

To the Resource Utilization Committee and Board of Directors of Sioux Lookout Meno Ya Win Health Centre:

## Opinion

We have audited the financial statements of Sioux Lookout Meno Ya Win Health Centre (the "Health Centre"), which comprise the statement of financial position as at March 31, 2022, and the statements of operations, changes in net assets, operations and changes in fund balance, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Health Centre as at March 31, 2022, and the results of its operations, changes in net assets (net debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Health Centre in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Other Matter

The supplementary information contained in the schedules is presented for the purpose of additional analysis and is not part of the basic audited financial statements. The information in the schedules was derived from the accounting records tested in forming an opinion on the financial statements as a whole.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Health Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Health Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Health Centre's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Health Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies

#### Management's Responsibility for the Financial Statements

The financial statements of Sioux Lookout Meno Ya Win Health Centre (the "Health Centre") are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards for government not-for-profit organizations, including the 4200 series of standards, as issued by the Public Sector Accounting Board.

The Sioux Lookout Meno Ya Win Health Centre Foundation is a separate entity whose financial information is reported separately from the Health Centre.

#### Nature and Purpose of the Organization

The Health Centre was created by Bill PR15 of the Ontario Legislature that received Royal Assent on December 14, 2001. The Health Centre's vision is to "be a centre of excellence for health through New and Expanded Services and Partnerships". The Health Centre is a not-for-profit organization that is exempt from corporate income taxes.

These financial statements reflect the assets, liabilities and operations of the Health Centre. They do not include the assets, liabilities or operations of the Sioux Lookout Meno Ya Win Health Centre Foundation, which, although associated with the Health Centre, is separately managed, and reports to a separate Board of Trustees.

In addition to the Health Centre's operating fund which reflects the activities of the day to day operations of the Health Centre, the financial statements also include the activities of the following programs:

#### Ministry of Health:

- |   |                              |
|---|------------------------------|
| - Community Mental Health and Addictions Programs | - Community Support Services |
| - Rent Supplement                                 | - Diabetes Education Program |

The operating results of these programs are recorded in Schedule 2 and Schedule 7 to the financial statements and their assets and liabilities are reported on the statement of financial position of the Health Centre. Program surpluses are recorded as repayable in the year incurred, except for those programs for which permission has been obtained to carry over surpluses for future program expenditures. In these cases, program surpluses have been recorded as deferred contributions. Program deficits are included in general operations, since they are not funded by the Ministry of Health. Adjustment settlements by the Ministry of Health are recorded when settled.

The Scholarship or Trust Fund, which records the activities related to the investments and granting of scholarships to students is for students enrolled at a post secondary institution in a health discipline.

#### Revenue Recognition

The Health Centre follows the deferral method of accounting for contributions which include donations and government grants.

Under the Health Insurance Act and Regulations thereto, the Health Centre is funded, primarily by the Province of Ontario, in accordance with accountability arrangements established by the Ministry of Health ("MOH") and Ontario Health ("OH"). The Health Centre has entered into a Hospital Service Accountability Agreement (the "H-SAA") and a Multi-Sector Service Accountability Agreement (the "M-SAA") for fiscal 2022 with the MOH and OH that sets out the rights and obligations of the parties to the H-SAA and M-SAA in respect of funding provided to the Health Centre by the MOH/OH. The H-SAA and M-SAA also sets out the performance standards and obligations of the Health Centre that establish acceptable results for the Health Centre's performance in a number of areas.

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies (continued)

#### Revenue Recognition (continued)

If the Health Centre does not meet its performance standards or obligations, the MOH/OH has the right to adjust funding received by the Health Centre. The MOH/OH is not required to communicate certain funding adjustments until after the submission of year-end data. Since this data is not submitted until after the completion of the financial statements, the amount of MOH/OH funding received by the Health Centre during the year may be increased or decreased subsequent to year-end.

Contributions approved but not received at year-end are accrued. Where a portion of a contribution relates to a future period, it is deferred and recognized in that subsequent period.

Unrestricted contributions are recognized as revenue in the year received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

Restricted contributions related to general operations are recognized as revenue in the year in which the related expenses are incurred.

Restricted contributions for the acquisition of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets.

Patient related revenues are recognized as revenue when services are rendered and the amount to be received can be reasonably estimated and collection is reasonably assured.

Recoveries are recognized as revenue when the amount of the recovery can be reasonably estimated and collection is reasonably assured.

#### Contributed Services

There are a substantial number of volunteers who contribute a significant amount of their time each year to the Health Centre. Because of the difficulty of determining the fair value, contributed services are not recognized in these financial statements.

#### Cash and Cash Equivalents

Cash includes balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

#### Investments

Investments are recorded at fair value. Transaction costs related to the acquisition of investments are recorded against investment income. Sales and purchases of investments are recorded on the settlement date.

Fair value is determined at quoted market prices. The calculation of fair value is based upon market conditions and at a specific point in time and may not be reflective of future fair value.

#### Inventory

Inventory is stated at the lower of cost and net realizable value. Cost is determined on an average cost basis. Inventories consist of medical and general supplies that are used in the Health Centre's operations and not for resale purposes.

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

**March 31, 2022**

---

### 1. Significant Accounting Policies (continued)

#### Capital Assets

Purchased capital assets are initially recorded at cost, except for capital assets purchased for other programs. The capital assets policy for other programs is described below under Ministry of Health Programs. Contributed capital assets are recorded at fair value at the date of contribution. When a capital asset no longer contributes to the Health Centre's ability to provide services, its carrying amount is written down to its residual value.

Minor equipment replacements are expensed in the year purchased, and software over a three year period. Construction in progress is not amortized until the project is complete and the facilities come into use.

Capital Assets are amortized over the useful life of the asset using the straight-line method. The capital assets are amortized as follows:

Land improvements	3 to 20 Years
Building and building service equipment	10 to 40 Years
Major equipment	3 to 20 Years
Residence - other land and buildings	10 to 40 Years
Residence - furniture and fixtures	3 to 20 Years

#### Long-lived Assets and Discontinued Operations

Long-lived assets consist of capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies. When the Health Centre determines that a long-lived asset no longer has any long-term service potential to the Health Centre, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Write-downs are not reversed.

#### Deferred Revenue

Deferred Revenue is received from contributors who have restricted use of the funds for specific purposes. Recognition of these amounts as revenue is deferred to periods when the specific expenditures are made.

#### Deferred Contributions Related to Capital Assets

Deferred contributions related to capital assets represent the unamortized portion of contributed capital assets and restricted contributions that were used to purchase the Health Centre's capital assets. Recognition of these amounts as revenue is deferred to periods when the capital assets are amortized.

#### Compensated Absences

Compensation expense is accrued for all employees as entitlement to these payments is earned, in accordance with the Health Centre's benefit plans for vacation, sick leave and retirement allowances.

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies (continued)

#### Post-Retirement Benefits

The Health Centre accrues its obligation for employee benefit plans. The cost of non-pension post-retirement and post-employment benefits earned by employees is actuarially determined using the projected benefits method pro-rated on service and management's best estimate of retirement ages and expected health care costs. The attribution period for such cost begins the date of hire of the employee to the date the employee becomes fully eligible to receive the benefits. The discount rate used to determine accrued benefit obligations is based on a year-end market rate of interest for high quality debt instruments with cash flows that match the timing and amount of expected benefit payments.

Adjustments arising from plan amendments, including past service costs, are amortized on a straight-line basis over the average remaining service period of employees active at the date of the amendment.

The Health Centre is an employer member of the Healthcare of Ontario Pension Plan (the "Plan"), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The Health Centre has adopted defined contribution plan accounting principles for the Plan because insufficient information is available to apply defined benefit plan accounting principles. The Health Centre records as pension expense the current service cost, amortization of past service costs and interest costs related to future employer contributions to the Plan for past employee service.

#### Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Amortization of capital assets and deferred capital contributions are based on the estimated useful lives of capital assets.

Accounts payable and accruals are based on historical charges for unbilled goods and services at year-end.

The post retirement benefits liability is based on a tri-annual actuarial evaluation which is revised and updated annually.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in the period in which they become known.

#### Financial Instruments

The Health Centre recognized its financial instruments when the Health Centre becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value, including financial assets and liabilities originated and issued in a related party transaction with management.

At initial recognition, the Health Centre may irrevocably elect to subsequently measure any financial instrument at fair value. The Health Centre has not made such an election during the year.

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies (continued)

#### Financial Instruments (continued)

The Health Centre subsequently measures investments in equity instruments quoted in an active market and all derivative instruments, except those designated in a qualifying hedging relationship or that is linked to, and must be settled by delivery of, unquoted equity instruments of another entity, at fair value. Fair value is determined by published price quotations. Investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost less impairment. With the exception of financial liabilities indexed to a measure of the Health Centre's performance or value of its equity and those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the organization, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the surplus/deficit for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at amortized cost or cost.

## Sioux Lookout Meno Ya Win Health Centre Notes to the Financial Statements

**March 31, 2022**

### 2. Cash

The Health Centre's bank accounts are held at one chartered bank. The Health Centre is exposed to credit risk on balances in excess of those guaranteed by the Canadian Deposit Insurance Corporation. The bank account earns interest at prime less 1.9%.

The Health Centre has an operating line of credit of \$4,000,000 that bears an interest rate of prime less 0.5%, is unsecured and is due on demand, and Corporate Mastercards repayable on demand and in accordance with standard terms and conditions. As at March 31, 2022 prime less 0.5% is 2.2% (2021 - 1.95%). As of March 31, 2022, there were unused credit facilities of \$3,177,229 (2021 - \$4,000,000).

### 3. Accounts Receivable

	2022	2021
Ministry of Health / Ontario Health	\$ 5,394,286	\$ 1,989,659

2026	221,456
2027	40,392
	<b>\$ 993,555</b>

## Sioux Lookout Meno Ya Win Health Centre Notes to the Financial Statements

**March 31, 2022**

### 8. Long-Term Debt (Continued)

Long-term debt is subject to certain covenants with respect to insuring against all risks relevant to its business operation for amounts of the loans and assign the policies to the bank and assign, hypothecate or otherwise ensure all amounts are payable to the bank.

### 9. Post-Retirement Benefits Liability

The Health Centre provides extended health care, dental and life insurance to all full-time employees, who enroll in the benefit plans and extends this coverage to the post-retirement period. The Health Centre accrues its obligations under these plans as the benefits are earned. Similar to most post-employment benefit plans (other than pension) in Canada, the Health Centre's plan is not pre-funded, resulting in a plan deficit equal to the accrued benefit obligation.

	2022	2021
Accrued benefit obligation	<b>\$ 1,655,400</b>	\$ 2,555,000
Unamortized actuarial gain (loss)	<b>1,404,500</b>	191,900

Reconciliation of plan funds (benefits payments)	<b>(137,700)</b>	(114,600)
	<b>\$ 313,000</b>	\$ 182,700
	2022	2021
Employee future benefit costs from Operations	<b>\$ 303,000</b>	\$ 172,700
Employee future benefit costs from Other Votes and Programs	<b>10,000</b>	10,000
	<b>\$ 313,000</b>	\$ 182,700

#### *Retirement Benefits*

Substantially all of the full-time employees and some of the part-time employees are members of Healthcare of Ontario Pension Plan. The plan is a multi-employer plan and therefore the Health Centre's contributions are accounted for as if the plan were a defined contribution plan with the Health Centre's contributions being expensed in the period they become due. Contributions made to the plan during the year by the Health Centre amounted to \$1,842,461 (2021 - \$1,965,840).

#### *Post-Employment Benefits*

The Health Centre extends post-employment life insurance, health and dental benefits to certain employee groups subsequent to their retirement. The Health Centre recognizes these benefits as they are earned during the employee's tenure of service. The related benefit liability was determined by an actuarial valuation study.

## Sioux Lookout Meno Ya Win Health Centre Notes to the Financial Statements

**March 31, 2022**

### 9. Post-Retirement Benefits Liability (Continued)

The major assumptions employed for the valuations are as follows:

a) Discount Rate

The present value as at March 31, 2022 of the future benefits was determined using a discount rate of 4.0% (2021 - 3.25%).

b) Extended Health Care Trend Rates

Extended health care costs were assumed to increase at 7.0% per annum in 2022 and decrease by 0.5% per annum thereafter to an ultimate rate of 4.0%.

c) Dental Costs

Dental costs were assumed to increase at 4.0% per annum.

### 10. Unamortized Deferred Capital Financing

Deferred capital contributions represent the unamortized amount and unspent amount of donations and grants received for the purchase of capital assets. The amortization of capital contributions is recorded as revenue in the statement of operations. Changes in the contributions capital deferred to future periods are as follows:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year as stated	<b>\$104,373,443</b>	\$108,160,542
Contributions received during the year	<b>1,058,508</b>	322,073
Net contributions received during the year - restricted for future capital asset purchases	<b>(105,605)</b>	(81,519)
Amortization	<b>(3,633,635)</b>	(4,027,653)
Balance, end of year	<b><u>\$101,692,711</u></b>	<u>\$104,373,443</u>

### 11. Deferred Contributions - Restricted for Future Capital Asset Purchases

	<u>2022</u>	<u>2021</u>

#### 12. Investment in Capital Assets

(a) Investment in capital assets is calculated as follows:

	2022	2021
Capital assets	<b>\$109,392,616</b>	\$111,404,238
Amounts financed by Deferred Contributions	<b>(101,692,711)</b>	(104,373,443)
	<b>\$ 7,699,905</b>	\$ 7,030,795

(b) Changes in net assets invested in capital assets is calculated as follows:

	2022	2021
Excess (deficiency) of revenue over expenses:		
Amortization of capital grants	<b>\$ 3,633,635</b>	\$ 4,027,653
Amortization of capital assets	<b>(4,688,212)</b>	(4,593,257)
Loss on disposal of capital assets	<b>(1,572)</b>	-
	<b>-1,056,149</b>	-565,604
Net changes in investment in capital assets:		
Purchase of capital assets	<b>2,678,162</b>	1,084,747
Net contributions received during the year restricted for future capital asset purchase	<b>105,605</b>	81,519
Deferred capital financing received	<b>(1,058,508)</b>	(322,073)
	<b>1,725,259</b>	844,193
	<b>\$ 669,110</b>	\$ 278,589

---

#### 13. Pension Agreement

Healthcare of Ontario Pension Plan (the "Plan") provides pension service to more than 419,000 active and retired members and approximately 624 employers. Each year an independent actuary determines the funding status of the Plan by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The results of the most recent actuarial valuation as at December 31, 2021 disclosed an actuarial surplus of \$17,567 million. The results of this valuation disclosed total actuarial liabilities of \$85,902 million in respect of benefits accrued for service with actuarial assets at that date of \$103,469 million. Because the Plan is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of member Ontario health care providers and their employees. As a result, the Health Centre does not recognize any share of the Plan surplus or deficit. Contributions made by the Health Centre to the Plan during the year amounted to \$1,842,461 (2021 - \$1,966,204).

---

#### 14. Contingent Liabilities and Commitments

The Health Centre is a member of Health Care Insurance Reciprocal of Canada (HIROC). HIROC is a pooling of the public liability insurance risks of its members. All members of the pool pay annual premiums which are actuarially determined. All members are subject to reassessment for losses, if any, experienced by the pool for the years in which they are members and losses could be material. No reassessments have been made to March 31, 2022.

---

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

March 31, 2022

---

### 14. Contingent Liabilities and Commitments (Continued)

The Health Centre entered into a contract for a period of three years starting July 1, 2019 for dietary, laundry and housekeeping supply and management. The contract has been extended through June 30, 2025. The annual value of this contract is approximately \$785,000 (2021 - \$770,000), increasing approximately \$15,000 annually.

The Health Centre entered into a contract for the construction of two four-plex housing units. As of March 31, 2022, the project has not yet been completed. The remaining costs are estimated at \$30,000 plus HST and will be financed through commercial debt.

---

### 15. Economic Dependence

The Health Centre receives 87.1% (2021 - 87.2%) of its funding from the Ministry of Health and Ontario Health.

---

### 16. Financial Instruments

The Health Centre, as part of its operations, carries a number of financial instruments. It is management's opinion that the Health Centre is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

#### *Liquidity Risk*

Liquidity risk is the risk that the Health Centre will not be able to meet its financial obligation as they fall due. The Health Centre has a planning budgeting process in place to help determine the funds required to support the Health Centre's normal operating requirements on an ongoing basis. The Health Centre ensures that there are sufficient funds to meet its short-term requirements, taking into account its anticipated cash flows from operations and its holdings of cash and cash equivalents. To achieve this aim, it seeks to maintain cash balances to meet, at a minimum, expected requirements for a period of at least 90 days. All amounts in accounts payable are current.

#### *Interest Rate Risk*

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities, known as price risk.

The Health Centre is exposed to interest rate risk on its long-term debt as they are fixed rates. The Health Centre's long-term debt have fixed interest rates ranging from 2.95% - 4.49% (2021 - 2.95%).

Contractual maturities of long-term debt are disclosed in Note 8.

---

### 17. Ministry of Health Pandemic Funding

In connection with the ongoing coronavirus pandemic (COVID-19), the MOH has announced a number of funding programs intended to assist hospitals with incremental operating and capital costs resulting from COVID-19. In addition to these funding programs, the MOH is also permitting hospitals to redirect unused funding from certain programs towards COVID-19 costs, and other budgetary pressures through a broad-based funding reconciliation.

## Sioux Lookout Meno Ya Win Health Centre Notes to the Financial Statements

**March 31, 2022**

### 17. Ministry of Health Pandemic Funding (Continued)

While the MOH has provided guidance with respect to the maximum amount of funding potentially available to the Health Centre, as well as criteria for eligibility and revenue recognition, this guidance continues to evolve and is subject to revision and clarification subsequent to the time of approval of these financial statements. The MOH has also indicated that all funding related to COVID-19 is subject to review and reconciliation, with the potential for adjustments during the subsequent fiscal year.

Management's estimate of MOH revenue for COVID-19 is based on the most recent guidance provided by MOH and the impacts of COVID-19 on the Health Centre's operations, revenues and expenses. As a result of Management's estimation process, the Health Centre has determined a range of reasonably possible amounts that are considered by Management to be realistic, supportable and consistent with the guidance provided by the MOH. However, given the potential for future changes to funding programs that could be announced by the MOH, the Health Centre has recognized revenue related to COVID-19 based on the lower end of the range. Any adjustments to Management's estimate of MOH revenues will be reflected in the Health Centre's financial statements in the year of settlement.

Details of the MOH funding for COVID-19 recognized as revenue in the year are summarized below:

	<b>2022</b>	2021
Funding for incremental COVID-19 operating expenses	<b>\$ 4,981,681</b>	\$ 1,483,700
COVID-19 assessment centre funding	<b>325,116</b>	197,638
Funding for revenue losses resulting from COVID-19	-	511,168
Pandemic pay funding	<b>104,900</b>	919,235
Working Capital Funding	-	489,100
Other pandemic funding	<b>546,825</b>	151,165
	<b><u>\$ 5,958,522</u></b>	<u>\$ 3,752,006</u>

Details of MOH funding for COVID-19 recognized as revenue with Other Votes and Programs in the year are

Community Mental Health and Addictions	<b><u>\$ -</u></b>	<u>\$ 4,388</u>
--	--------------------	-----------------

Details of MOH funding for COVID-19 included in deferred contributions in the year are summarized below:

COVID-19 one-time renovations & equipment	<b><u>\$ 61,367</u></b>	<u>\$ 97,400</u>
---	-------------------------	------------------

---

# Sioux Lookout Meno Ya Win Health Centre

## Notes to the Financial Statements

**March 31, 2022**

---

### **18. COVID-19 Impacts**

In response to COVID-19 and consistent with guidance provided by the MOH and other government agencies, the Health Centre has implemented a number of measures to protect patients and staff from COVID-19. In addition, the Health Centre has actively contributed towards the care of COVID-19 patients and the delivery of programs that protect public health.

The Health Centre continues to respond to the pandemic and plans for continued operational and financial impacts during the 2023 fiscal year and beyond. Management has assessed the impact of COVID-19 and believes there are not significant financial issues that compromise its ongoing operations. The outcome and timeframe to a recovery from the current pandemic is highly unpredictable, thus it is not practical to estimate and disclose its effects on future operations at this time.

---

### **19. Comparative Figures**

Certain parts of the prior year comparative figures have been changed to conform to the current year presentation.

---

**Sioux Lookout Meno Ya Win Health Centre**  
**Schedule 1 - Other Revenues**

*(Unaudited)*

<b>March 31,</b>	<b>2022</b>	<b>2021</b>
<b>Recoveries and Miscellaneous Revenues</b>
